All Day Fresh & Healthy Feet

Spongy Longevity

PORON® XRD™ Heel Cushion

Located at the heel where the impact is greatest as your foot hits the ground. This yellow pad of patented soft ultra-low modulus material absorbs up to 90% of the most intense force*. Drop a small heavy metal object (e.g. 1/2 inch diameter steel bolt) on either side of the yellow pad and watch it come to rest with only one tiny puny bounce!

* As measured according to ASTM-F1614-C.

Other Premium Watertite featuring:

Pierce-resistant steel midsole insert
